We had a hard time choosing our cover girl this month. It's often difficult, but when you've got perennial favourites Mia and Anneli in the same issue – and with a host of other horny hotties vying for top billing as well – it's nigh on impossible. In the end we gave Anneli the cover, but Mia the centrefold. We're just hoping all the other girls, who are amazeballs out of 10, don't complain to us. Unless they do it in person, of course. That would actually be nice...

TOY STORY!

Dear Club,
There's no other way to put it – those pictures of Reader's Girlfriend Chloe (*Club* 42/10) had me wanking like crazy. Maybe it was that tight pink and black dress – the kind she probably goes clubbing in – or maybe just that tight, natural body beneath it. She's got a lovely mouth as well, one I wouldn't mind exploring with my prick. As for her being a model in the future? I hope so.
Eric, Stirling

Well, the good news for you and other fans of the lovely Chloe Toy is that she's agreed to do another photo shoot for us, and she should be back in these pages in a month or two. We wholeheartedly agree that she's got everything it takes to be a model – and we agree about her mouth as well!

Dear Club,
I just had to tell you about this fantastic present I was given last month that has changed my life. I love sex aids and have a collection of vibrators and dildos that get used a fair bit. Don't get me wrong; I love real, live dicks as much as the next slut – it's just that I like playing with my toys while my boyfriend and I are fucking – it turns him on as well as me. Double the fun!

For my birthday he bought me this funky little internal vibrator thingy – it's got a harness so I can insert it in my cunt and keep it in me at work or when we go out in the evening. The difference with this vibro is it has a remote control so you can turn it on or off when you choose without having to pull your panties down to get at it, and the biggest thrill is letting my man have control of the remote while we're out!

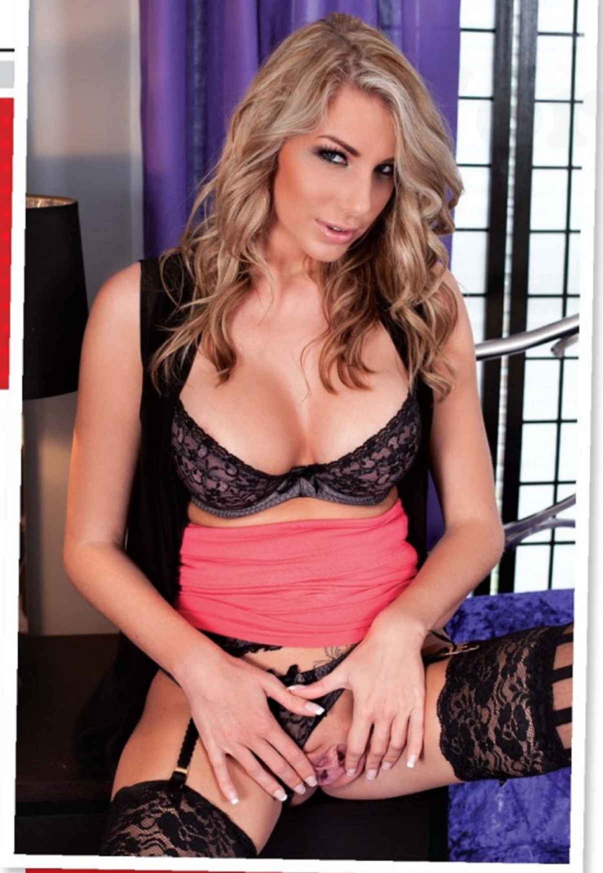
I could be standing at the bar ordering drinks, and suddenly delicious vibrations will start coursing through my slit, making my legs turn to jelly. Or sometimes he'll turn it on while we're dancing, and I'll wriggle about until I climax right there on the dancefloor, completely unbeknownst to all the people around.

This nifty little gizmo has certainly added a new dimension to my sex life, although I make sure that the remote is safely in my bag when I'm driving. It'd be pretty hard to explain if I had an accident!
Laney, Bristol.

Dear Club,
I love nothing better than giving a guy a good fuck and a great blowjob, and I've always wanted to try doing both at the same time. I want to tell you about how I finally did it last week.

I met these two hunky blokes in a pub, and we all went back to my flat. I put on some smoochy music. They sat and watched as I slowly, teasingly, stripped for them. When I got down to my underwear, I slowly ran my finger down my lacy panties and into my hot, moist cunt. I pulled my finger out of my hole and let the two boys take turns sniffing my pussy juice.

Then I slowly slid my panties off and bent down to reveal my tight pussy to the guys. They got the message pretty quickly, and both got naked and joined me on the floor. One of them, Jim, pushed his massive prick into my soaking cunt and began to thrust rhythmically in and out. The other guy, whose



PRAISE THE LAIRD!

Dear Club,

Sometimes I buy *Club* and put it down after a day or two if it doesn't float my boat. But sometimes it just hits the sweet spot, and your latest issue did just that. It's like I put it together myself – two of my three favourite British babes in Dani and Natalia (if you added Jenny Laird to the issue I'd probably explode), a red hot lesbian pictorial, an amazing new girl in Chloe, and a couple of lovely, lovely Yanks. Keep up that kind of work and I'll never need to buy another magazine ever.

Jeff, London

High praise indeed, Jeff, for which we thank you. We were delighted with last issue too – all killers, no fillers. Speaking of Dani, we've just taken possession of some truly lovely lesbian sets of her with another British babe who shall not be named at this stage. Keep your eyes peeled for those in a month or two…

name I think was Rafe, put his cock right up to my face. I lapped at the swollen head of his dick, and slipped it into my mouth, keeping my lips slightly tight as the shaft slid in, over my caressing tongue and into my open and willing throat.

With a cock stuck in each end, I settled in for the ride of my life. Jim pumped his cock in and out of my swollen pussy lips, while I sucked Rafe's cock and squeezed his balls. Jim pulled his cock out and sprayed his cum over my arsecheeks, while Rafe pulled back to squirt his onto the end of my tongue. I swallowed it all down – yummy!

That was the first of many fucks and blowjobs that night, so I'm definitely going to see those guys again!

Stocking awe...

Anneli's back, the uber-cutie reminding us all of why she placed so high in 2012's Reader's Girl of the Year poll. Now, we're not cynical types, but more unkind people might assume that this appearance so late in the year is the model version of one of those 'For your consideration...' adverts that films place in Oscar season. Are you gunning for top spot, Anneli?

"You *are* cynical! No, I just had a few months off to travel, but now I'm back modelling. I'm hoping you're going to have me back in *Club* soon again. Maybe with some of those other girls who beat me. I'd love to fuck them all!" ♣

Club's ROUGH GUIDE

The balls might be a funny shape, but don't let that put you off – it hasn't affected Matt Loxham's capacity to preview this month's big sporting events...

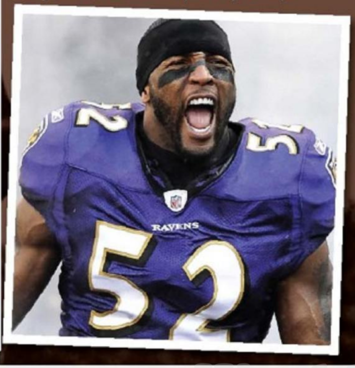
NFL International Series

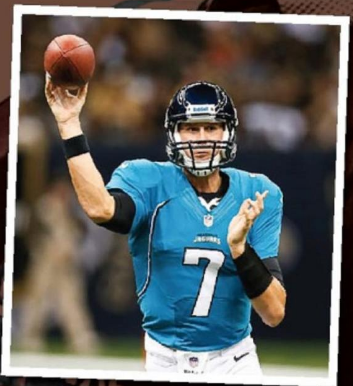
Wembley Stadium – 29th September & 27th October

The American football season has only just kicked off, but it won't be long before the brutal glamour of the gridiron crosses the Atlantic and touches down in the capital when the Pittsburgh Steelers take on the Minnesota Vikings at Wembley Stadium. This is no bullshit exhibition game designed to keep the Limeys happy and flog a load of merchandise (ahem) – this is the real thing, with real points up for grabs. It's a bit like Everton playing a Premier League match against Newcastle in New York, or Southampton taking on West Ham in Washington DC. Actually scrub that, I think I've just made it all sound a bit crap. Imagine loud music, massive, angry blokes bashing into each other and fit cheerleaders dancing around in sexy little outfits like in America but in England. There you go – that's better.

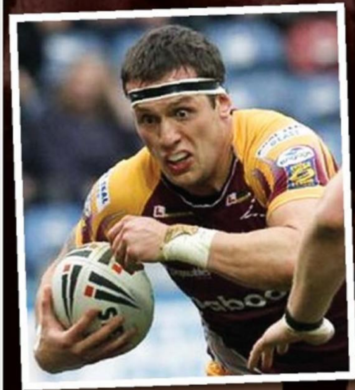
London is becoming something of a big deal for the National Football League – the NFL to those in the know – with rumours abounding that there might one day be an actual franchise in the city. The Jacksonville Jaguars, who take on the San Francisco 49ers at Wembley on October 27th in the second instalment of this rather tenuously titled 'International Series', are the current favourites for this dubious honour, not least because they're owned by Shad Khan, a billionaire manufacturing magnate who recently coppered up to buy Fulham FC.

At the moment, however, this isn't such thrilling news for British NFL fans because the Jacksonville Jaguars are currently pretty shit. They lost fourteen out of sixteen games last season and are 500-1 rank outsiders to win the Super Bowl this season. Furthermore, a thrashing at home to the Kansas City Chiefs, also pretty crap last season and unfancied for this one, in their opening game suggests those odds are about spot-on. Maybe wait until they improve a bit before adopting them on these shores, after all, nobody wants to be dumped with the London Losers.





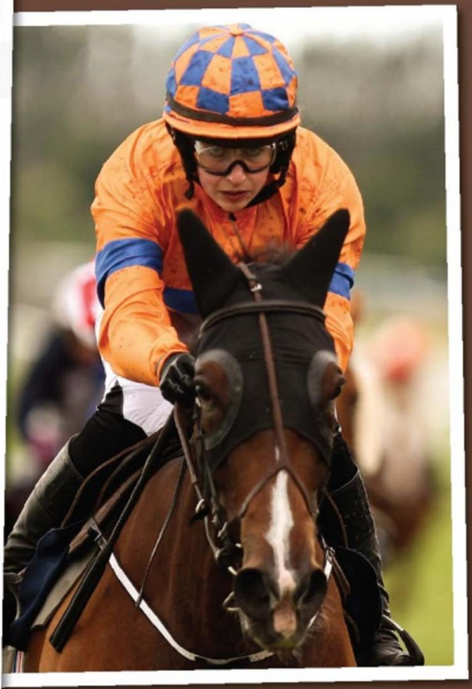
So we've established that the Steelers and the Vikings are a bit mid-table and the Chiefs and the Jaguars are a bit wank, but which teams actually stand a chance of winning Super Bowl XLVIII (48 to those who don't understand Roman numerals and have to Google it) next February? The Denver Broncos have legendary but knocking on a bit quarterback Peyton Manning back to his best and head up the list of favourites to take the spoils in New Jersey, with last season's runners-up the San Francisco 49ers set to be competitive once again under coach Jim Harbaugh and no doubt bristling after losing out last February to the Baltimore Ravens, who incidentally have lost many of their best players. In further aging quarterback news, the New England Patriots will be hoping Tom Brady, TB12 to his friends, can step-up once again and supply an offence that was the most potent in the league last season. By way of contrast, dark horses the Seattle Seahawks had the stingiest defence and boast a hugely talented young quarterback in Russell Williams.



Super League Grand Final

Old Trafford Stadium – October 6th

This month's Rough Guide has been mostly devoted to sports for men with funny shaped balls – and yes, that was a rather gratuitous use of a shit joke. The Rugby League World Cup, hosted by England and Wales, kicks off in just a few weeks time, and while we wait for that particular shindig to begin, the domestic game has the opportunity to take centre stage. With players desperate to get picked for their international



sides and clubs keen to showcase themselves ready for the expected surge in interest next year, the climax to the Super League season is set to be a classic. Make no mistake, these are exciting times for a cracking spectator sport that has lost its way a little in recent years.

Appropriately, the race for domestic honours this season is as closely fought as ever, with all the usual suspects thrashing it out for a place in the Grand Final on October 6th. The unique way in which the competition is structured means that even if a team wins the league stage they still have to battle through a series of play-off matches to reach the big trophy game at Old Trafford, although the top four clubs are given another chance against a lowlier team should they lose their first 'knockout' but not really 'knockout' contest.

It's a bit of a weird and controversial system but one that generally favours the sides that place higher at the league stage, and this season it's difficult to see beyond Huddersfield Giants, Warrington Wolves and Wigan Warriors battling it out for Super League supremacy along with defending champions Leeds Rhinos, who are chasing a hat-trick of consecutive titles. These four teams will also be responsible for providing the majority of England's players at the World Cup, and it's in the interests of the nation for them all to be doing well - a nation that might just rediscover the joys of rugby league this autumn.

Prix de L'Arc de Triomphe

Longchamp Racecourse – October 6th

Horse racing has had short shrift from the Rough Guide this year, and with the richest thoroughbred race in Europe just around the corner it's about time that was put right. So, the story so far. Well, all you really need to know is that Sky Lantern won the 1000 Guineas and then flopped at Goodwood recently. Dawn Approach romped home in the 2000 Guineas and then flopped in a Derby won by Ruler of the World, who then promptly flopped in the Irish version. In a nutshell then, the 2013 British classic winners have turned out to be a bunch of flops.

With that in mind it's no surprise that none of these horses are likely to feature in the Prix de L'Arc de Triomphe, a Group One encounter run over one and a half miles and open to horses aged over three of all genders and sexual persuasions. The main protagonists include Novellist, a German challenger who comfortably won the King George VI and Queen Elizabeth Stakes at Ascot earlier this year, and French fancy Flintshire, impressive in a couple of big races on home turf. These two tough European contenders are closely followed in the betting by Orfevre, second in last year's Arc and a horse who sounds French but who is in fact Japanese, a bit like the famous martial artist Jacques E Chan if he wasn't from Hong Kong.

While the 2013 running of the richest race in Europe might not feature a truly brilliant equine talent such as Sea the Stars, who hacked up in 2009, or the great Mill Reef, who galloped to victory back in 1971, it does promise to be a competitive encounter and a fascinating puzzle for punters – ten horses are in with a decent shout of bagging the 2.2 million Euros awarded to the winner.

> "Orfevre is a horse who sounds French but is in fact Japanese, a bit like the famous martial artist Jacques E Chan if he wasn't from Hong Kong"

In a race that has been won by fillies in both of the last two runnings, heading up the female challenge is the French Oaks winner Treve. With Italian rapscallion Frankie Dettori on board she's set to be the housewife's choice, or as the French might put it, *le* housewife's choice. British hopes look set to rest on The Fugue, recent winner of the Irish Champion Stakes over Al Kazeem, another Arc hopeful. The Fugue is owned by musical impresario Lord Andrew Lloyd Webber, and could well be worth a tenor. I thank you. ♣

What can we tell you about Paulina? Well, while she looks all cute and innocent, a little research reveals that in an 8 year porn career spanning back to 2006, the Cali-born and raised hornbag has starred in over 130 porn films. "Oh, I love my porn career," she gushes. "Fuck those people who think it's for damaged or fucked up girls. I'm down to earth, love my family, but I just happen to love having sex with great people and getting paid for it. I couldn't be happier!" ♣

Star Trek Into Darkness

(Paramount, DVD £10, Blu-ray £15)

BLU-RAY + DIGITAL COPY
STAR TREK
INTO DARKNESS

J. J Abrams breathed new life into the *Star Trek* world with his 2009 reboot of the seemingly endless film series. While beloved by fans, the different strands of *Star Trek* had managed to turn off casual viewers for some time. *Star Trek* overhauled the cast, the pacing and the visuals, and *Into Darkness* continues the good work.

It starts with the casting. Chris Pine (Kirk) and Zachary Quinto (Spock) share a chemistry that reminds you that William Shatner and Leonard Nimoy were once young, before they grew grizzled in their roles. The supporting cast is a mixture of the bland, the kooky and the funny, with Simon Pegg doing a fine Scotty. And the big baddie? That'll be the reliably excellent Benedict Cumberbatch, although *Club* won't spoil which baddie he is exactly, although it doesn't take much working out.

The plot itself is back of a fag packet stuff, and it's to Abrams' credit that he delves into series mythology while keeping it moving at a roraring pace. It's propelled along by stunning effects, and the 3D Blu-ray, if you can swing for that, is a thing of beauty. It's stuffed with extras as you might imagine. But if you don't care for that stuff, and you're just renting it, you're unlikely to be disappointed. It doesn't feel as radical as the 2009 overhaul, but nor has it slipped back into just appealing to Trekkies. ★★★★

Annie Hall

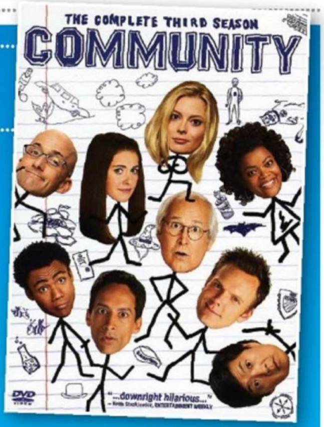
WOODY ALLEN DIANE KEATON
ANNIE HALL
15

A belated Blu-ray bow for one of the greatest films ever made. Woody Allen's comedy romance still delivers in both elements – the romance is deep, realistic and heartfelt, the comedy is punchy, funny and clever. Diane Keaton has never been better than as the titular Annie, while Allen's Alvy is perhaps the finest of his lovable NY schmucks. He plays games with comedy – addressing the audience directly, using subtitles to express what people really mean, but throwing in some slapstick too. It's a film that, almost as much as *Manhattan*, makes you want to relocate to the Big Apple and fall in love with Annie Hall as well. ★★★★★

Community Season 3

(Sony Pictures, DVD £16)



Community fans will be more than aware that the show has had a troubled recent past. Showrunner Dan Harmon left, the season without him was patchy at best, and he's recently returned, hopefully to steer it back to something like Season 3. This was a show at its confident best, having shown in Season 2 it could do things no other comedy could do. The ensemble meshes perfectly, the meta episodes are still funny and don't grate, and the rest of the cast move up to rival Jeff Winger as the focus of the show. The best comedy on TV that isn't *Parks & Recreation*. ★★★★

ENLIGHTENED

MEET THE NEW FACE OF TRANQUILITY

Enlightened

(Warner Home Video, DVD £12.50)

Enlightened comes laden with critical plaudits, a Golden Globe for lead Laura Dern and yet it failed to find much of an audience for HBO. The fools. Dern is spectacular as Amy Jellicoe, who has a huge breakdown at work and, after a stay at a holistic rehab facility, returns to attempt to be an 'agent of change' in a corrupt corporate culture. But she remains a flawed character whose motivations are doubted by those closest to her Brill. ★★★★

Iron Man 3

(Walt Disney, DVD £10, Blu-ray £13, 3D £19)

After the messy *Iron Man 2*, director Jon Favreau made way for Shane Black, and the change gives the series a shot in its arm. Robert Downey Jr. never loses your attention as the messy, flawed but brilliant Tony Stark, while Black's dialogue crackles. Sharp work from Ben Kingsley and Guy Pearce too. ★★★★

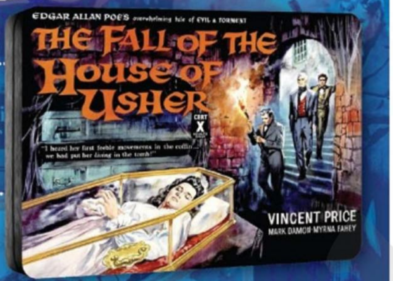
Total War: Rome II

(Sega / Creative Assembly, PC £29.99)

A whole lot of gameplay tweaks accompany the *Total War* series back to Rome, and many elements are as compelling as ever. But in many ways this is an unfinished release and a massive cock-up. Battles are over too quickly, units don't stay in formation, the family tree system is a joke, generals die before you've built them up. Expect patches galore, or maybe wait for some bright mods to fix this game for us. ★★

Classic Corner



The Fall of the House of Usher

(Arrow Video, Blu-ray £17.11)

Roger Corman, Vincent Price and Edgar Allen Poe are a marriage made in heaven as this horror classic finally arrives on high definition. Director Corman takes liberties with Poe's source novel, but his decision to cast Vincent Price was a masterstroke, and this became one of his defining roles. Corman was famously brilliant at stretching meagre budgets, and this film looks rich and sumptuous. The extras are fine too, with documentaries and interviews shedding light on the creative process. A must.

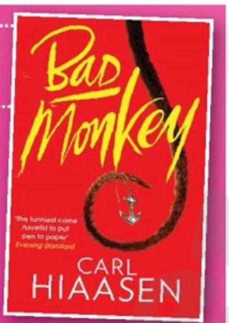
A Fairy Tale of New York

J.P. Donleavy (Penguin)

First published in 1973, Donleavy's masterpiece is perhaps best known these days for inspiring the title of a song. But it reads as well as it ever did, following Irish-American Cornelius Christian's return to New York after time spent studying in Ireland. He returns with his luggage and his dead wife. It's a richly comic novel, full of memorable characters, raging with life, but also pathos and absurdity.



Bad Monkey

Carl Hiaasen (Sphere, £16.99)

Carl Hiaasen made his name writing witty fiction about Florida, but in recent years his output has been patchy to say the least – the style got old quickly. *Bad Monkey* is a rich return to form, as police detective turned restaurant health inspector Andrew Yancy takes possession of a severed arm and tries to tease out the truth behind it. Hiaasen's comic and moral touch is sure and, yes, there is a bad monkey in the book.

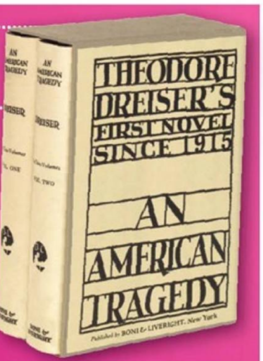
A Time to be Born

Dawn Powell (Steerforth Press, £9.57)

Another slice of New York life, this time published in 1942, and set at the time of America's entry into World War Two. Powell's book, loosely based on the real life Clare Boothe Luce, is comic and cynical, a truly scathing exposé of New York life as two very different women from the same Ohio town make their way in the Big Apple. A well deserved reissue.



An American Tragedy

Theodore Dreiser (Signet Classics)

Another NY novel? Well, kind of. Dreiser's hefty slab from 1925 spends a lot of time in the Adirondacks in New York State, and what a novel it is. It follows the tragic life of Clyde Griffiths from Kansas to Chicago to New York, his misadventures and his bitter end. It's drawn from a real life case, and the scenes in jail are as good as anything you'll read. An American master at work. ♣

It doesn't matter how many powerful laptops and desktops you throw at the Apple fraternity – some people are never going to use anything other than Macs. And why not, when they're as sleek, user-friendly, lightning fast and light as this baby. The HD5000 graphics and cracking processor mean that working even with clunky applications is fast – helped along by the Solid State Drive which means rapid booting. You keep going for a long time as well, as this packs in the kind of battery life that laptops can't compete with. What's stopping Apple getting their phones to stay charged for this long?

Pros: Battery life is tremendous.

Cons: Price soon adds up when you go for a bigger screen.

With 42 inch HD tellies now available for about £300, what's a TV snob to do? Well, how about the ultimate in telly one-upmanship with this? Costing a truly stupendous £5000, this is a television that delivers where it matters in terms of picture, contrast, black levels and, unusual for a TV these days, sound. Yup, with levels up to 100dB, you won't need a soundbar. You can also customise the material for the speaker grille cover, so that you can blend this TV in with your home furnishings. The downsides? The price. And the active 3D glasses aren't supplied. But then if you've got 5k for a telly, that's probably a drop in the ocean.

Pros: Sounds and looks great.

Cons: Lack of 3D glasses, apps.

Nokia keep innovating in an attempt to get back into the mobile market as a serious player, and there's lots to like about the 925. It's very light and thin, but the build is still great. There's just 1GB of ram, however, and many similar priced phones have better processors. The 925's calling card is its outstanding camera, the 8.7 megapixel camera enhanced by a Carl Zeiss lens and a bunch of impressive features that let you tweak your photos in all manner of ways. In many ways this is a better camera than a phone, and you might not fall in love with the average screen resolution and only 16GB of storage.

Pros: Smart Camera features are excellent and user-friendly.

Cons: Many aspects are a step back from the 920. ♣

IBIZA FEVER!

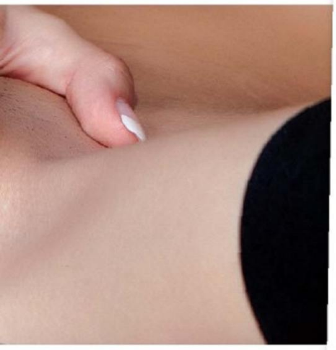
I've got my airline ticket already booked and in a few months, when term ends and I've graduated, I'm heading for University central – Ibiza. It's the wildest place this side of the moon! Everybody knows it's the place where hot and horny student girls take a break after studying, and if last year was anything to go by, this is going to be one hell of a party!

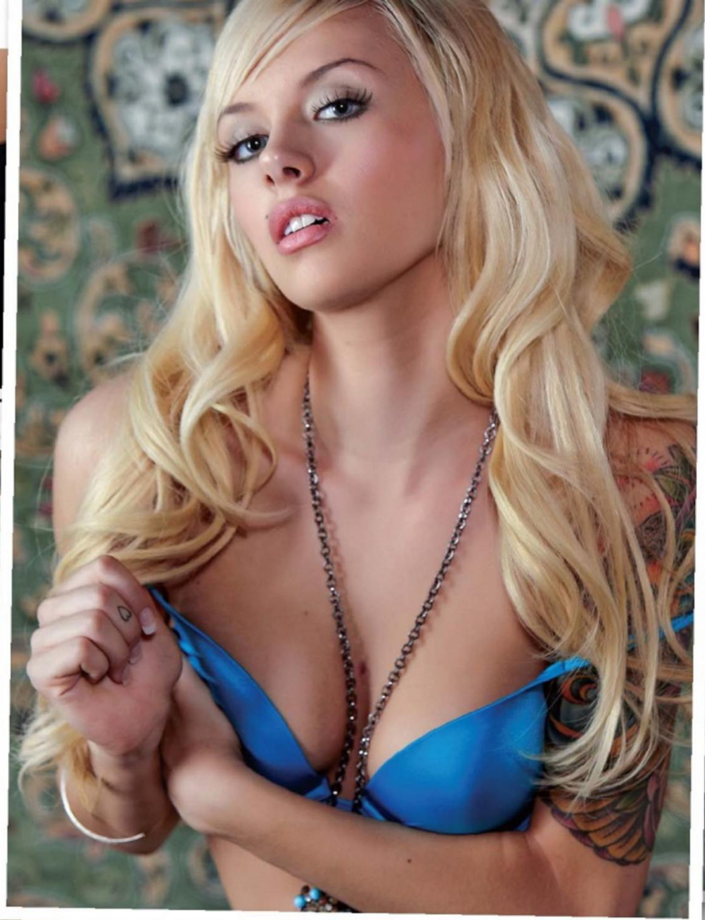
An example: three chicks, one bed, a bottle of French champagne, and me. Lucy, a redhead philosophy student, was teasing me with a flamboyant strip routine, while her blonde friends Ellen and Jodie (studying literature and performing arts, respectively) made out on the bed. I guessed they'd played around with each other before, they were obviously loving it! For a little while I just kicked back and wanked myself off, slowly and deliberately, not wanting to get too worked up too soon. Ellen and Jodie were still at the kissing stage, so I watched Lucy turn to face the rear wall and pull off the fishnet black panties that she was only just wearing! Oh man, what a cunt she had! Being a natural redhead she'd done the decent thing and shaved her fur totally off. It was all smooth, pale and peachy, just like her bum, with these little pussy lips just peering out at me. I didn't want to be rude or anything, but I wasn't ready to dive in there yet. Sometimes you just have to take your time!

I picked up the phone, called room service and ordered up a couple of bottles of champagne and a selection of chocolates. To hell with it – I figured my overdraft for next term would cover the cost!

When it arrived, I popped the corks and made a toast, "To cunt, cock, champagne and Ibiza!" then I gently pushed Ellen back onto the bed and took a swig of the sweet nectar in my glass. Holding it in my cheeks, I pulled down Ellen's panties, parted her legs and dived in with my mouth. I opened my lips just at the second that I made contact with her hot little cunny. The champagne mixed with her pussy, and I kept it from dripping down by locking on to her furry cup like a limpet. Ellen juddered as the cold bubbly fizzed on her skin. I slipped my eager tongue into her flavoursome tunnel. I could tell just from looking at her what kind of effect it was having, because her nipples went from soft and relaxed to rock-hard, just as her pussy muscles gave a cute little twinge around my mouth.

The other two girls soon stripped and laid on the bed beside Ellen, waiting for their turn. I reached into the ice bucket, pulled out two frozen cubes, and teased them around the clit of each girl while I sucked away between Ellen's legs. A few seconds later I pushed an





> “Lucy started pouring the champagne over Jodie’s bum while Ellen lapped it up”

ice cube up into each of their pussies.

I’d heard about this ‘hot and cold’ thing you can do when you’re fucking, and I thought I’d never get a better chance to try it. One of you has to warm your sex parts up while the other one cools theirs down. When you stick your dick into the girl’s pussy, the difference in temperature is meant to feel phenomenal. I tugged myself for a second or two just to get myself extra-hot, and then I opened up Lucy’s juicy flaps and drove my dick home. She squealed and thrashed about on the bed like she was drowning or something! Well, the ice cube was still up there, but it had turned to water by now and was finding its way out of her plugged-up hole, so the bed was getting to be almost as wet as the hotel pool!

I thrusted in and out of her for a while before I thought to try the same thing with Jodie, but her ice cube had already melted in her hot little cunt, so I reached in to the ice bucket and pulled out another cube, while I told the little slut to make like a doggie and get on all fours. She pulled her pussy lips apart for me, but I had another idea. Taking the champagne bottle, I poured some down her arse-crack. It followed her contours, pooling around her arsehole before running further down to her pussy opening and then dripping onto the bed.

Ellen saw what I was doing and angled herself underneath Jodie, so that once the champagne river had run its course she could drink it all up and taste its new improved flavour! I handed the bottle to Lucy and asked her to pour once I was inside Jodie, then I pulled apart her buns and thrust that ice cube right up her brown eye! Before she had time to squeal and maybe clench her cheeks so hard that the cube came out, I followed it with my dick. We were sure making some cocktail – my cock, her tail and a touch of ice!

Lucy started pouring the champagne over Jodie’s bum while Ellen lapped it up along with having a sneaky suck on Jodie’s clit. The champagne coated my dick as I pulled it back, then got pushed up Jodie’s arsehole. I kept thrusting right up that little tramp’s chute until my Titanic finally hit the iceberg, and then it felt like fireworks were going off! My spunk felt hot, her arse felt cold and the champagne made everything kind of fizzy.

The bad news – or maybe it was a good thing – was that the girls left Ibiza to head home the next day, so myself and my Uni mates decided to take it easy, hang out by the pool and, well, look at hot babes passing by.

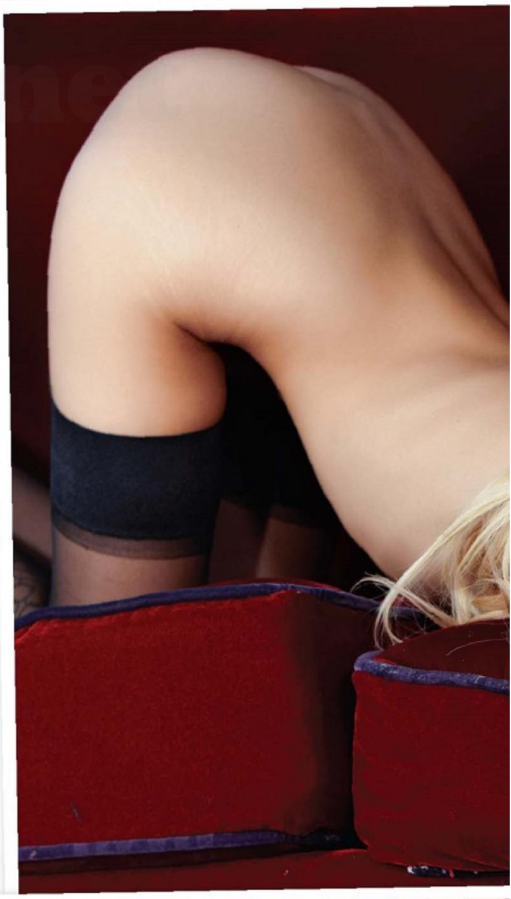
My friend Aaron caught the eye of a really fit-looking brunette who, he told me, he'd seen around but hadn't got around to talking to yet. She smiled at both of us and sat down on her sun lounger across the pool from us. Aaron tried comically to mime the act of putting on sun lotion and then pointed at our new friend. She got his meaning and smiled again, reached to pick up her bottle of lotion, and squirted it seductively all over her chest, before slowly and tantalizingly rubbing it in, teasingly putting her hand down her bikini bottoms and pulling a naughty shocked face.

> **"Aaron got her cunt while she put her sweet pink lips around my meat and sucked me off"**

The couple sitting on the nearest sun loungers to her got up and left, so I pointed to the seats and to us. Our sun-worshipping babe nodded, so we rushed over. There was still a distance between our new seats and the girl, so we maintained the miming communication, as it was kind of fun and it was making her laugh. We even managed to work out what she wanted to drink, and got the waiter to take her one over. I don't know whether she was grateful for the drink or just feeling saucy, but she rolled over onto her front and undid her bikini top. It looked to everyone else like she was just getting sun on her back without a tan line, but then she smiled and rolled towards us ever so slightly so that we could just see a hint of nipple. She tweaked it and licked her lips. I put my hand on my dick, over the top of my shorts and she licked her lips more deliberately. I rubbed up and down my bulge once while looking her straight in the eye. She did the same to herself. Aaron mimed for her to pull her panties aside, but she looked around at the busy pool and coyly shook her head.

Then I suppose she had an idea. She wrapped her towel round her and smiled. She wiggled around a little and the next thing I know is that her bikini bottoms fly over to where Aaron and I are sitting. Naturally, we took it in turns to sniff them. There was a little patch of white girly cum on them, which Aaron licked off. Then the girl opened her legs. The towel hid her delights from everyone else, but we could see right up it. What a view – and I didn't mean the ocean! Although by the glistening that was going on under the towel it looked like she might be even wetter! As she opened her legs wider still, her cunt lips parted and we could see into her pink little hole.

It was too much. I mouthed my room number at her and made it clear that she understood before Aaron and I left the pool and went up to my room. A couple of minutes later there was a knock at the door. Aaron opened it and there she was, with her finger on her lips in a kind of 'shut up and both fuck me' pose. So we did – one of us at each end! Aaron got her cunt while she put her sweet pink lips around my meat and sucked me off. Then we swapped around. It was pretty odd fucking a girl in front of a friend of mine, but in a way it made what she was doing even nastier, and I guess we both got off on the fact that most girls wouldn't act like she was.



Aaron got to pop in her mouth while I filled her cunt up with my seed – she was overflowing from both ends. Aaron even managed it again, taking her up the arse while I contented myself sucking on her tits.

When I asked her name, she smiled, put her finger on her lips again, and left the room. Another little darling who was up for a great time, but didn't expect an engagement ring! You can see why I plan to take my summer in Ibiza a good few more times before I settle down!

Geoff, Warrington.

JENNY-TALIA!

Being a good old-fashioned cock-loving lass, I've never indulged in full-on lezzie sex, although I've often wondered what oral sex with another girl would be like. I reckon loads of girls must've wondered about that.

Well, I finally got my chance to find out last Thursday. My mate Jenny and I had come back from a club to my flat to sleep off all those Bacardi Breezers. But first we put on some music and were dancing around my living room like a right couple of dizzy mares, when Jenny suddenly pulled up her top like a stripper starting her routine. I must admit, the sight of her lovely, firm bare tits jiggling about in front of me got me quite excited, and I started to egg her on. Breezers will do that to a girl!

> "She stood astride me, yanked aside the gusset of her knickers and pushed her lovely shaven twat right into my face"

By the time Jenny was gyrating before me in nothing but her stockings, heels and panties, I was as horny as anything.

"Fancy a feel?" Jenny said with a wicked grin, as she cupped her breasts to offer them to me. I wasn't going to pass that up, and I grabbed her tits, then pulled her towards me, kissing her full on the mouth. We fell onto the sofa, and Jenny sneaked a hand up my skirt, then started rubbing my pussy through my panties.

"Hey, ever licked a girl out?" she asked, and before I could reply, she stood astride me, yanked aside the gusset of her knickers and pushed her lovely shaven twat right into my face. Her delicious musky smell turned me on even more, and I jammed my tongue between her pussy lips and thirstily lapped at the thick love juice oozing into my mouth as she rubbed her crotch hard against my face.

Pretty soon Jenny was climaxing over me and I frantically wanked my clit as she dropped into a squat so I could suck on her tits, while she leant down to help me frig off. She licked her own cum juice from my lips and chin as she thrust a finger into my cunt, while I continued rubbing my clit till I came over her hand.

I'd never realised before what a dirty bitch Jenny was, but then I reckon she probably thinks the same of me! Both of us were a teensy bit embarrassed in the morning, but I'm glad I now know the joy of having a woman's tongue inside me. If I'm ever without a fella in the future, I know just what to do to relieve my sexual tension – have a girls' night in!

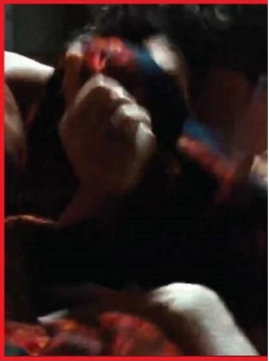
THE GLOBE THEATRE



All the world's a stage, and sometimes famous ladies get their norks out on it...

US actress Amanda Seyfried has dallied with screen nudity before, and she's certainly a stunning girl with an unusual non-Hollywood look. And there was no way on this earth that she wasn't going to do some nudity when she signed on to play Linda Lovelace in *Lovelace*, the biopic of the porn star turned anti-porn campaigner. Whatever the rights or wrongs of her story, she could swallow a mean dick, but unfortunately we don't get to find out if Miss Seyfried can. That really was asking too much…♣

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

BUM FUN AT THE BARBECUE!

David and I had been invited to a barbecue by Cassie, a friend from work. It was a lovely day to be outside, with cloudless blue skies and glorious sunshine but after a couple of glasses of rosé, I was keen to get back inside. I was hot and horny and desperate for a bit of sexy action with my new man. I was polite and asked Cassie if David and I might borrow her bedroom for half an hour.

"Be my guest," she said, giving us a naughty grin. "There's condoms and lube in the top drawer if you need them."

"Thanks, Cass," I said, and we slipped away from the guests in the garden up to the privacy of my friend's bedroom.

"Anal lube," David said, examining a bottle that he'd picked-up from Cassie's nightstand. "Very nice." I could see my boyfriend's mind processing this new information about Cassandra.

"Don't go snooping," I said, snatching the bottle from him.

"She said we could look," he protested, and I couldn't help but have a look in Cassie's top drawer. There were numerous sex toys, including a couple of butt plugs. Cassie definitely liked things up her bum.

"Ever had anal sex?" David asked.

"I've tried it," I admitted, my mind still distracted by the sex toys.

"You never told me that," David said, and he pushed the lump in the front of his jeans against me. David groaned as I squeezed it with my right hand. David kissed me and as he diverted me with his lips, he released his cock. It bounced free and then hung between us, hot and demanding. "Suck it," he said harshly, and I giggled as I dropped to my knees to obey David's command. I was so close that I could feel the heat of it on my face. My hands wrapped around it and tugged the foreskin back to expose its head. My mouth was hungry for cock and I explored the underside from the shiny tip down to the hairy balls, keeping my eyes locked on David's all the way. David grinned. We'd only been going out for a couple of months but I was sure that I knew his cock better than he did.

"You want to see me suck it?" I cooed, teasing his hard flesh with my breath. "You like the feel of my lips on it?" I asked with the tip resting on my lower lip. I pushed that lower lip as far down the shaft as I dared. David groaned. I knew what he liked and varied the rhythm of my mouth and the depth of the penetration as I gave him my best blowjob.

> "His pubes tickled my buttocks, letting me know that the whole of his cock was inside my bum"

My sense of power over him grew stronger and stronger as he came closer and closer to losing control.

"No more sucking," David said as he pulled back. "I want to stick it in your arse." My body tingled as I looked down at the spit-shiny cock. It was twitching in front of my face. "That's what you want as well, isn't it?" It was what I wanted – I'd been thinking about it ever since we'd found Cassandra's anal lube. I nodded. "Good. Now get down on the floor with your bum up in the air." My heart thumped excitedly as I followed David's instructions. "Put your knees together so I can get your knickers off." David's hands grabbed my underwear and slid them down to my knees and then off over my ankles.

I heard him fiddle with the bottle of lubricant, and then felt more of the slimy substance being rubbed between the cheeks of my ass. He'd never touched me there before and I squirmed as his slippery fingers probed my bumhole. He pressed his fingertips against my bumhole and it was so slippery that they easily penetrated me. My breath released in a sharp groan and my toes curled as he forced them deeper inside my bum. There was no turning back now. My world felt like a sexy dream as I gave myself to David in this new way. I knew that I shouldn't be doing it here on Cassie's bedroom floor – surely the place for anal experiments was in

my own bedroom. Had we even locked the door? What if someone came in and found us like this? "Mmmm, your bum feels so good around my fingers," David said softly – and he was right!

"How many fingers?" I asked.

"Three," he said, and I could feel them as they twisted and pushed in deeper. I could feel my arse being rapidly stretched but was surprised to find that it didn't hurt in the least. And if three fingers didn't hurt, perhaps a cock wouldn't hurt either.

"If I say 'ouch', you have to stop OK?"

"Of course," David said as he kissed my lower back.

"Try sticking your dick in." David didn't need to be told twice. I heard the snap of the lubricant's lid and then felt soothing cool being spread over and into my anus. I concentrated on relaxing as David stroked his slippery hand all over his cock. Perhaps mindful that the experience could be stopped with a single 'ouch', David paid utmost attention to penetrating my bum slowly. There was no moment when the resistance of my arse gave way – blunt pressure morphed into throbbing accommodation. His cock was inside me.

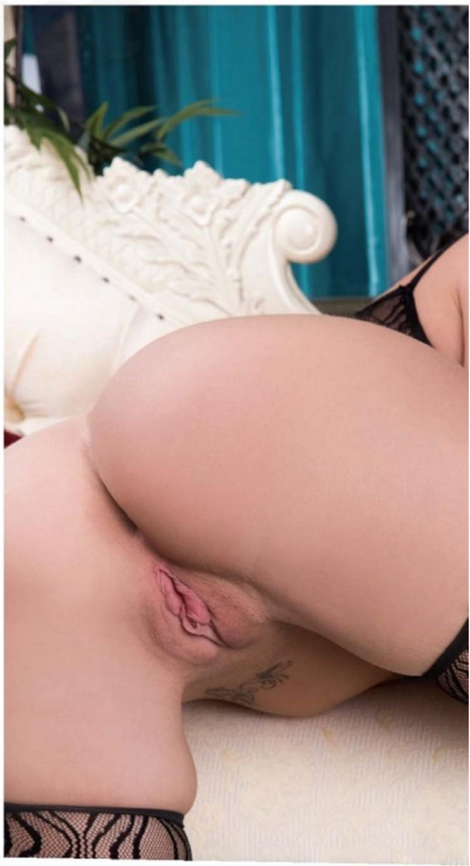
"Oh God, that looks amazing," David whispered with a note of awe in his voice.

"It feels pretty amazing too," I said. I closed my eyes and felt my body melt. His pubes tickled my buttocks, letting me know that the whole of his cock was inside my bum. David thrust in and out, then stopped. I sniggered – I'd come up here for a quick bonk but was having my first anal fuck in years.

"Was that an 'ouch'?"

"No, I'm OK. More than OK, actually."

"Oh, good, 'cause this is the most amazing thing ever." David's thrusts became faster and deeper. I groaned, shocked at how easily his cock was sliding in and out of my bum. This



was so naughty: being anal-fucked in a girl's bedroom while all my closest friends were partying outside. My fingers teased more and more pleasure from my clitoris. I synchronised their movement with my breathing as David continued to fuck my tightest hole. I was getting close to cumming.

I heard the soft click of the door and watched as it swung open. David didn't stop or even slow down. A woman's legs stepped into the room. I knew who it was from the pretty wedge shoes – Cassie. How much could she see? Did she know David was fucking my arse rather than my pussy? I was fully exposed but the embarrassment and shame only served to heighten my excitement. How many times had she been fucked in the rear in this room? I was feeling very, very naughty. I wanted to cum while Cassie was still watching, while my arse was being violated in front of her.

David groaned. It would be even better if he came too. "Do you like my cock in there? Do you like me fucking your arse?" I gasped with delight. If Cassie hadn't known what she was witnessing already, she did now. Cassie squatted down for a better look. I couldn't see her face but I could see up her skirt. I pushed back against each and every one of David's thrusts as I looked at Cassie's knickers. The ensuing squelches and slapping of flesh delighted me. My fingers buzzed, giving me what I needed as I frigged myself to climax. My back arched as my body started to pulse.

"Oh, fuck, fuck, fuck, fuck!" Each expletive impelled the pleasure higher. The orgasm was raw and intense in a way that I had never previously experienced. David growled and my pleasure spiked again as he fired his load into my rectum. My head swam. Two things were new with this orgasm: it had anal origins and it had been witnessed by another woman. David extracted his fading cock from my bum and slumped onto the floor. I looked back in time to see the door being pulled to. Cassie winked at me through the gap and then crept away down the landing.

"Come-on, we'd better get back to the party before someone notices," I said, as I made myself respectable. Of course, someone had noticed and the truth was that I couldn't wait to go and have a girly chat with Cassie. I wanted to know all about her toys and what she thought about what she'd seen us doing – and whether she might like to share David's sausage after the barbecue had finished.

Liz, Kent

> "Her bumhole will suddenly grip my fingers like a vise, telling me her orgasm is on the horizon"

PAULA'S PUCKER!

I have been going out with Paula for about six months and she's the hottest girlfriend I've ever had. Not only is she stunning looking: long blonde hair and a body to die for; but she also loves me playing with her arse while we're fucking. I don't mean sticking my cock where the sun doesn't shine, although she does seem pretty keen on that as well. No, I'm talking about fingering her arsehole while my cock is jammed up her snatch.

There's something really filthy about easing the tip of a finger into that tight little hole as my dick is buried up to the hilt and Paula's lovely small breasts are pressed against my chest. And when she cums I get to feel every tiny spasm of her climax.

Usually, I'll start by licking her pussy until she's soaking wet. The sticky liquid from her fanny is the best lubricant for a bit of anal insertion. I'll keep her right on the edge of cumming for a good 20 minutes or so by alternating my tongue play between her twat and her sexy hard nipples. Paula loves all this attention and will be squirming around in frustration, desperate for release by the time I pull her on top of me and plug her soaking gash with my knob.

"Get your finger up my arse now!" she'll plead, wriggling up and down my shaft, clenching her bumcheeks in time with my thrusts.

Making sure my finger is nicely lubed with love-juice, I'll tickle the rim of her puckered hole, before sliding it inside, sometimes just inserting the tip and other times plunging it right up her bum. Paula will go completely wild at this point and bang her arse down onto my thrusting digit, pleading for more until I stick another finger inside and work them in and out in time with my prick.

Her bumhole will suddenly grip my fingers like a vise, telling me her orgasm is on the horizon, and I'll grind my fingers hard into Paula's back passage to speed her climax.

Then it's my turn – she certainly knows how to pay me back in kind. She'll kneel on all fours before me, pulling apart her cheeks and begging me to unload my spunk into her opened anus. This is one offer I can never refuse, as I love to watch my seed splash her hole and dribble down her arse-crack.

Most men wish their wives and girlfriends would take it up the arse but reckon they'll say no. Well, let your fingers find out first and you may well be pleasantly surprised!

MELODY ♣

Note perfect...

WorldMags

There is much we admire about Melody. Her lovely locks, her shaved pussy, her large collection of sex toys, her penchant for leopardskin heels. But one thing annoys us – she lives in LA.

"Why not come visit me?" she says. "I live with a couple of models in this amazing place and we have some really wild parties. But we'd like some British guys there, you talk so beautifully."

We're not sure you've heard the Editor's Yorkshire twang in the flesh.

"Yorkshire? Is that near London?"

Melody, we were getting on so well... ♣

MELODY

What our well-placed moles are telling us this month...

DOWN THE WIRE

Gallop-thru!

Burger may contain horse!

Surly a historical mode of transport wouldn't be discriminated against by Maccy D's? Think again. Police were called to the Whitfield, Greater Manchester branch of McDonald's where a woman was issued with a fixed penalty fine after taking her horse into the restaurant and allowing it to defecate on the floor.

Initially the unnamed rider had tried to purchase food from the drive-thru but was refused service as it was said to be a health and safety risk to staff and costumers. What a load of manure!

Burke and Hare!

"Calling Lurch. Come in Lurch!"

We think somebody's been reading too much Shelley. Vincent Bright pleaded guilty to stealing his father's body from a Detroit cemetery with the hope of bringing him back to life. Bright, 48 at the time, stole the body of 98 year-old Clarence Bright, from Gethsemane cemetery on January 14 and stored it in his household freezer. Bright is a religious man and hoped his father would be resurrected; he faces sentencing later on this month with a maximum jail term of 10 years.

Nibbling Nuts!

Fishermen discovered the Pacu fish in Scandinavian waters earlier this year, causing a warning to be issued to skinny-dipping swimmers. This vicious toothed relative of the piranha, known for its powerful jaw and fondness for nibbling your knackers, appears to be heading west. A local fisherman in Paris was surprised to find this rare catch in his haul; let's just hope they don't start hopping over the channel.

Beware of Goldfish

Birdbrain!

Lt. Andy Jackson, a sheriff in Maury County, Tennessee, has found himself in hot doo-doo after discharging his weapon in an attempt to shoo a turkey that was doing its business on his police car. Lt. Jackson fired a warning shot to scare the bird off in a secluded area, but the incident only came to light after another member of the force dobbed him in via Facebook, which saw Jackson reprimanded for a simple reason: "We don't train to use our firearm to scare animals off vehicles". No need to get in a flap about it. ♣
